Looking Towards 2015 and Beyond

Connecting The Dots Between The Bible & The Headlines Since The Year 2000!

I believe these are the areas of concern and areas of interest that we should be watching right now in 2015 and beyond:

1. The new elections for Prime Minister in Israel. Will Prime Minister Bibi Netanyahu hold on to power or will we see, a more middle of the road PM, take over in Israel? Elections are in March. Many believe Israel will attack Iran's nuclear plants by June 2015 latest.

2. The Jews want a temple built on the Temple Mount. All elements to begin worship in the temple are ready. The Arabs say NO! The Jews say YES! This should be watched over 2015 and 2016. The Bible tells us that a 3rd temple will be built by the Antichrist - see Daniel 8-12; Matthew 24, Luke 21 and Ezekiel 40-45.

3. Russia, Ukraine, China and The Middle East. There is a move by Russia and China to bring about a substitute currency and to get away From the U.S. Dominated Dollar. Russia wants to become the reigning superpower in light of the United States pull back on the world stage. As I'm writing this there are reports that Russia is pulling out of the "petro-dollar" system. As well, China has purchased enough gold to make sure their currency is backed by it to the tune of 60% or better!

Economists are warning of an economic collapse that will make the 2008 Great Recession look like child's play and it could happen in the fall of 2015, 16, 17 or 18. Look to see the U.S. To distance itself further from God as it seeks to become a super political correctness (PC) dominated political country. The U.S. will side with the Homosexual agenda to a fault and the U.S. will distance itself further from Israel! Our president will allow Iran to go nuclear. Look for Obama to do everything but lean towards the Bible in his actions and policies for these UNITED STATES OF AMERICA! Dangerous times we live in.

China has the gravitas to actually create a new monetary system, one they are calling SDR's. As of December 2014 China became the world's financial leader for the first time in known history! See Revelation 16.

A final word about Russia; Russia has made cooperative agreements with the countries in the Middle East and would like to see Israel become a thing of the past. There is now enough oil, natural gas and untold trillions in the form of minerals at the bottom of the Dead Sea. Israel is now ripe for a global superpower like Russia to try to take from her (Israel) what doesn't belong to Russia, much like Russia is doing with Ukraine right now. Russia needs Ukraine as a pivot point into Europe and the Middle East so look for Russia to bring Ukraine back into the fold. Ezekiel 38-39 are now in play. We are seeing all the elements of Ezekiel 38-39 being established by God at this moment! Gog The Price of Magog is rising...

The world believes that because of Israel the world can't hold onto peace. Israel is the thorn in the side of ***the world's peace process***. Look to see the "world" put pressure on Israel to make peace at any cost with her Arab neighbors. According to the Bible, this will lead to disaster however! Daniel 7-12; Revelation 5-19.

4. Look for The Lord to continue to move all Middle Eastern and European players into their roles and places for "The Final Act" of the last 7 years of Daniel's 70th week and vision.

Recently, week of January 4th, Qatar decided to pull away from its support of ISIS and side with Egypt! There is a stirring among the Arabs of the ME and we may see a backlash coming against ISIS.

5. Terrorism and/or Violence; as we move closer to the "end of days" you need to become really familiar with Matthew 24. Our Lord warned that as we move closer to His return the days would become full of violence and/or terrorism. Terrorism will not get better anytime soon and in fact, here's the bad news, it will get a whole lot worse. Look to see social unrest as people find it hard to make ends meet and as social programs get stretched past their limits in an attempt to try to sustain the population. If the political climate doesn't improve in The United States we could hear the rumblings of social unrest like never before. It is not outside of the realm of possibilities for our society to fracture and to erupt into factions warring against one another. Expect to hear of "*wars and rumors of wars,*" across the globe.

The curtain is about ready to rise and the last scene or act of the ages is about ready to begin!

The next BIG events that I'm anticipating in the near, not so distant future are:

On The Eve of Fulfillment – Simple Summary... Not Exhaustive!

1. The Rapture of all "true" believers.

1Corinthians 15:51-58 and 1Thessalonians 4:13-18 .

- Possible Psalm 83 War prior to rapture
- Ezekiel 38-39 War - Stage Being Set Now...

2. Rise of Antichrist (Man of Sin) to power.

He must consolidate and established his seat of power via peace, deception and false promises. See 2Thessalonians.

- False Peace Confirmed & Building of the 3rd Jewish Temple Gets Underway.
- 3 ½ years after into Daniel's final 7 years (weeks/70th week) The Abomination that makes desolate must occur...
 - Great Tribulation period starts.
 - Lasts 3 ½ years or 1,260 days.
 - Seal, trumpet and bowl judgments.
 - 7 seal judgments (year 1 of 3); 7 trumpet judgments (year 2 of 3); 7 bowl judgments (year 3 of 3) totaling 21 in all over a three year period.
- See Daniel 9-11; Matthew 24 and Revelation 5-19

3. Return of Christ and Millennium Reign!

Special Note:

Before the rapture of believers from earth there are many things that will transpire in our societies and globally. My list above is only meant to show how close we may be to The Lord's return based on how near we are to the BIG three events that I have outlined above.

Furthermore, there are many things that happen between the rapture and the return of Christ. To see all of these events one should read Revelation 5-22 for the exhaustive list, things like the 144,000 Jews being sealed on their foreheads, the remnant of Jews that are protected by God at Petra (more than likely), the 2 witnesses preach and die, Angels preaching the good news to the world and much, much more!

If you do not know Jesus Christ in a personal way, please read John 3:16-18 and Romans 10. The fact that we are moving so close to the return of Jesus Christ means, if you do not know Him personally, you are running out of time and ***the time to accept Him as your Savior is now!*** ***Please do not put it off. This is the one decision in your life you must get right!***

God Bless you and your entire family as you seek to serve our Lord in 2015...

Keep looking up – Jesus is coming back soon!
